- For the 1st semester pass course every students have two core subjects and they have to attend at the classes of two DC papers at two different times for those subjects, and for the GE paper of the honours students they may attend any one of those two classes because of similar syllabus.
- There is 1 DSC paper of 6 credits for each of the first 2 core subjects for pass course. In that case the student will attend there DSC classes at the two different times for two subjects.
- Classes in which teachers are not named will not be taken now.
